Tim w se man who rule the dest nies of Great Britain are well content with our American high tariff. ... know that while it curtains their trade with this country, it also protects strength. them against American competition the whole world over. To suppose that English statesmen do know that, under favoring auspices, America wo'd be England's most formidable commercial rival, is simply absurd. And yet we are told by Republicans demagagues that the re cent expression of American sentiment at the polls in favor Morris compromised the hotel of tariff reduction and reform. was a triumph for British free trade! Nelly Bly says that from pleasure of sceing the stars and stripes floating from the mast- been hurt. head of a single yessel This after about 30 years of Republican high protection! What sort And yet we are told that the repudiation by our people of the the commerce of the seas, was a triumph in the interests of British tree trade! As a matter of fact, it was a triumph of the good sense of the American majority over an American party p'edged to a theory and policy
